

Appendix pages A-1 to A-3 of Applicant's prior Brief on Appeal which shows the noted feature highlighted in red.

Since the basis for the two rejections is the absence of a feature which in fact is recited, it is not clear what the basis for the rejections can be. It is respectfully submitted that there is no basis and that claims 1-6 should be allowed, or the rejections clarified.

Respectfully submitted

A handwritten signature in black ink, appearing to read 'Felix J. D'Ambrosio', written in a cursive style.
